TERMS OF REFERENCE

CONSULTANCY FOR FACILITATION OF INCOUNTRY WORKSHOP IN ABUJA, NIGERIA

KEY INFORMATION:

PROJECT TITLE	WELEAD
APPLICATION DEADLINE	15 th August, 2023

BACKGROUND INFORMATION

The Network of African National Human Rights Institutions (NANHRI) is a regional umbrella non-profit organization with a membership of 46 African National Human Rights Institutions (NHRIs).¹ NANHRI endeavours to capacitate NHRIs with the necessary knowledge, skills, tools, and techniques to enable them to undertake their mandate of human rights protection and promotion in line with the Paris Principles. The secretariat of NANHRI which is based in Nairobi achieves this through facilitating and coordinating efforts amongst NHRIs and linking them to other key human rights actors at the regional and international levels. With funding from HIVOS International, NANHRI is implementing a Sexual Reproductive Health and Rights (SRHR) programme dubbed **WeLead**, in Kenya, Uganda, Nigeria and Niger.

The project's strategic objective is that by the end of 2025, resilient young women with disabilities, living with HIV or affected by displacement, play a leading role in strengthened and inclusive organizations and movements that enjoy increased public support and have convinced duty-bearers and health-service providers to take steps towards implementing laws, policies and practices that respect and protect these young women's SRHR.

NANHRI seeks to support and strengthen NHRIs in Africa as well as to facilitate coordination and cooperation among themselves and between them and Communities of Action ((COAs) and rightsholders. Pursuant to its mandate, NANHRI will conduct a capacity building workshop for the aforementioned on mainstreaming Sexual Reproductive Health and Rights (SRHR) protection.

Sexual and Reproductive Health (SRH) is a human right that is essential to human development and the achievement of the Sustainable Development Goals. SRH accounts for at least 20 per cent of the burden of global ill health for women of reproductive age, and 14 per cent for men. It is based on this background that NANHRI seeks to contract the services of a consultant to conduct a two-day in-country workshop on SRHR in Nigeria.

MAIN TASKS OF THE CONSULTANT
